Subject: Equipment wish list

Attachments: Amherst Lab Equipment Wish List 2007.doc

Attached is the Amherst wish list. You said think big.

I am having trouble finding state vendors for some of these items, and it would be difficult to complete installation for the hood, A/C and security system before the end of the fiscal year. If you could help me to find vendors, I would appreciate it.

The hood quote actually came from a UMass facilities planner, and it included upgrading the hood system for the entire building. Much of this work has since been taken care of, so if we get serious, I'll see about getting another (less costly) quote.

Cam
